Example Data Description for Example 1- Option 1:

PG Record	Data Description
OI	The commercial cargo description is [**WOMANS SHEEPSKIN JACKET**]
PG01 (Line 1)	The Government Agency Code for the U.S. Fish and Wildlife Service is [**FWS**] and the Government Agency Program Code is [**FWS**]. The leather of the jackets is made of sheep (*Ovis aries aries*) harvested from a domesticated source and is exempt from filing FWS Form 3-177 data and documents so this FWS line is disclaimed [**E**].

PG01 (Line 2)	The Government Agency Code for the U.S. Fish and Wildlife Service is [**FWS**] and the Government Agency Program Code is [**FWS**]. The collar of the jackets is trimmed with coyote fur and requires clearance using FWS Form 3-177 data and documents [**EDS**]. Documents are uploaded in the Document Image System [**Y**]. The Intended Use Code [**130.035**] indicates the jackets are for a commercial purpose.
PG02	Item type is reported as [**P**] for all FWS commodities.
PG05	Scientific Genus Name for coyote is [**CANIS**]. Scientific Species Name for coyote is [**LATRANS**]. The Scientific Subspecies Name is not required for this species. The FWS Description Code for the coyote fur trim is [**TRI**].
PG06	The Source Type Code is Species Country of Origin [**267**]. The Country Code for the species country of origin is the United States [**US**] and the Geographic Location for the state where the specimens were harvested is Wyoming [**WY**].
PG10	The coyote was harvested from the wild so the Commodity Qualifier Code is [**W**].
PG14	The shipment is for commercial purposes, so an FWS Import/Export license is required. The LPCO Type is [**FWL**]. The alphanumeric associated with the I/E license is the LPCO Number [**66666A**].
PG17	The Common Name (Specific) for *Canis latrans* is [**COYOTE**]. The number of Cartons Containing Wildlife is 3 [**00003**].
PG19	The Entity Role Code for the FWS Importer is [**FW1**]. The Entity Identification Code is the FWS-assigned eDecs filer account associated with the U.S. entity responsible for filing the entry and is [**78**]. The Entity Number is [**111111**]. The Entity Name is the FWS Importer Name and is [**IMPORTER NAME**]. The Entity Address 1 is [**123 IMPORTER STREET**].
PG20	The Entity City is [**IMPORTER CITY**], the Entity State/Province is [**VA**], the Entity Country is [**US**] and the Entity Zip Code is [**22041**]
PG21	The Individual Qualifier is [**CI**] for a certifying individual. The Individual Name [**NANCY IMPORTER**] is the name of the individual with the importer business who certifies the Form 3-177 data and documents. Telephone Number of the Individual is [**8005551111**] and Email Address of the Individual is [**NANCY@IMPORTS.COM**].
PG19 (Repeated)	The Entity Role Code for the FWS Foreign Exporter is [**FW2**]. The Entity Name is the FWS Importer Name and is [**EXPORTER NAME**]. The Entity Address 1 is [**123 EXPORTER STREET**].
PG20 (Repeated)	The Entity City is [**EXPORTER CITY**], the Entity State/Province is British Columbia [**BC**], the Entity Country is Canada[**CA**] and the Entity Postal Code is [**HOHOHO**]
PG21 (Repeated)	The Individual Qualifier is [**FW2**] associated with the foreign exporter. The Individual Name [**DAVID EXPORTER**] is the name of the contact individual with the exporter business. Telephone Number of the Individual is [**2362224444**] and Email Address of the Individual is [**DAVID@EXPORTS.COM**].
PG19 (Repeated)	The Entity Role Code for the Customs Broker is [**CB**]. The Entity Name is the broker's/company filing the entry [**BROKER COMPANY**]. The Entity Address 1 is [**123 BROKER STREET**].
PG20 (Repeated)	The Entity City is [**BROKER CITY**], the Entity State/Province is Virginia [**VA**], the Entity Country is United States [**US**] and the Zip Code is [**22041**]
PG21 (Repeated)	The Individual Qualifier is [**CB**] associated with the Broker/Filer. The Individual Name [**JILL BROKER**] is the name of the contact individual with the broker/filer business. Telephone Number of the Individual is [**8005552222**] and Email Address of the Individual is [**JILL@BROKER.COM**].

PG17	The Common Name (Specific) for *Bison bison bison* is [**AMERICAN BISON**]. The number of Cartons Containing Wildlife for the American bison carcasses is 5 [**00005**].
PG19	The Entity Role Code for the FWS Importer is [**FW1**]. The Entity Identification Code is the FWS-assigned eDecs filer account associated with the U.S. entity responsible for filing the entry and is [**78**]. The Entity Number is [**111111**]. The Entity Name is the FWS Importer Name and is [**IMPORTER NAME**]. The Entity Address 1 is [**123 IMPORTER STREET**].
PG20	The Entity City is [**IMPORTER CITY**], the Entity State/Province is Virginia [**VA**], the Entity Country is United States [**US**] and the Entity Zip Code is [**22041**]
PG21	The Individual Qualifier is [**CI**] for a certifying individual. The Individual Name [**NANCY IMPORTER**] is the name of the contact individual with the importer business who certifies the Form 3-177 data and documents. Telephone Number of the Individual is [**8005551111**] and Email Address of the Individual is [**NANCY@IMPORTS.COM**].
PG19 (Repeated)	The Entity Role Code for the FWS Foreign Exporter is [**FW2**]. The Entity Name is the FWS Importer Name and is [**EXPORTER NAME**]. The Entity Address 1 is [**123 EXPORTER STREET**].
PG20 (Repeated)	The Entity City is [**EXPORTER CITY**], the Entity State/Province is British Columbia [**BC**], the Entity Country is Canada [**CA**] and the Entity Postal Code is [**HOHOHO**]
PG21 (Repeated)	The Individual Qualifier is [**FW2**] associated with the foreign exporter. The Individual Name [**DAVID EXPORTER**] is the name of the contact individual with the exporter business. Telephone Number of the Individual is [**2362224444**] and Email Address of the Individual is [**DAVID@EXPORTS.COM**].
PG19 (Repeated)	The Entity Role Code for the Customs Broker is [**CB**]. The Entity Name is the broker's/company filing the entry [**BROKER COMPANY**]. The Entity Address 1 is [**123 BROKER STREET**].
PG20 (Repeated)	The Entity City is [**BROKER CITY**], the Entity State/Province is Virginia [**VA**], the Entity Country is United States [**US**] and the Zip Code is [**22041**]
PG21 (Repeated)	The Individual Qualifier is [**CB**] associated with the Broker/Filer. The Individual Name [**JILL BROKER**] is the name of the contact individual with the broker/filer business. Telephone Number of the Individual is [**8005552222**] and Email Address of the Individual is [**JILL@BROKER.COM**].

PG22	The Entity Role Code is [**FW1**] indicating the certification is associated with the importer business. The Declaration Code is [**FW3**] which is Certification of the FWS Message Set. The Date of Signature is [**01012017**]
PG24	Remarks Text is [**BOXFMG**] indicating the markings on the cartons containing wildlife for the American Bison.
PG25	The PGA Line Value for the American bison is $10,000 [**000000010000**]
PG29	The Unit of Measure is [**KG**] and the Commodity Net Quantity for the American bison is 50 [**000000005000**]
PG30	The Inspection Status is [**I**] and the Arrival Date is [**01012017**]. The Inspection Location is [**AIR CANADA WAREHOUSE**]
PG01 (Line 2)	The Government Agency Code for the U.S. Fish and Wildlife Service is [**FWS**] and the Government Agency Program Code is [**FWS**]. Hybrid Beefalo cattle (*Bos taurus x Bison bison bison*) requires clearance using FWS Form 3-177 data and documents [**EDS**]. Documents are uploaded in the Document Image System [**Y**]. The Intended Use Code [**230.000**] indicates the beefalo are for Consumer Use as Human Food (a commercial purpose).
PG02	Item type is reported as [**P**] for all FWS commodities.
PG05	Since the beefalo is a hybrid of two different genera, there must be a PG05 record for each parent of the hybrid specimen to create the hybrid scientific name. Scientific Genus Name for the first parent of the hybrid is [**BOS**]. Scientific Species Name for the first parent of the hybrid is [**TAURUS**]. The Scientific Subspecies Name is not required for this parent species. The FWS Description Code for the hybrid specimen is meat [**MEA**].
PG05 (Repeated)	Since the beefalo is a hybrid of two different genera, there must be a PG05 record for each parent of the hybrid specimen to create the hybrid scientific name. Scientific Genus Name for the second parent of the hybrid is [**BISON**]. Scientific Species Name for the second parent of the hybrid is [**BISON**]. The Scientific Subspecies Name for the second parent of the hybrid is [**BISON**]. A second FWS Description Code is not required since the description has been identified for the specimen in the first PG05 record.
PG06	The Source Type Code is Species Country of Origin [**267**]. The Country Code for the species country of origin is Canada [**CA**].
PG10	The Beefalo was harvested from a ranched population so the Commodity Qualifier Code is [**R**].
PG10 (Repeated)	The Beefalo (*Bos taurus x Bison bison bison*) is a hybrid animal with parents from two different genera. The Commodity Qualifier Code is intergeneric cross [**A100**].
