SUBJECT: Centralized Examination Station Selection

On August 24, 2018, the Area Port of Chicago issued Pipeline 18-06, notifying the trade community that only one application had been received to operate a Centralized Examination Station (CES) as solicited in Port of Chicago Pipeline 18-05 dated June 22, 2018. That Pipeline also invited the public to submit comments relevant to CES operations and the selection process.

Based on criteria and requirements set forth by U.S. Customs and Border Protection for CES operations, a CES operating agreement was finalized on May 13, 2019 for a period of five years. The following facility has been selected.

Global CFS, Inc.
860 Foster Avenue
Bensenville, Illinois 60106

If you have questions regarding this Pipeline, please contact Cargo Chief Issac Thomas at (847) 928-3009.
