**SUBJECT : Air Automated Manifest System – New Participant –
Turkish Airlines**

Effective October 14, 2003, Turkish Airlines becomes an automated carrier in the Port of Chicago. Their carrier code is TK or THY and the firms code is K372.

Turkish Airlines will generate an air waybill containing pertinent information that mirrors their electronic manifest information. It is imperative that the information supplied by the Automated Manifest System carrier be utilized in entry processing to insure a release to the electronic manifest.

Questions concerning the Automated Manifest System should be directed to the Air AMS staff at CenterPoint Business Center. The phone number is (847) 616-4060, extensions 130, 132, and 133. After 4:00 P.M., please direct questions to extension 131.
