Pipeline 14-04

April 24, 2014

TO: Customhouse Brokers, Importers, and Others Concerned

SUBJECT: Centralized Examination Station Selection.

The Port of Chicago has finalized its selection for the Anti-Terrorism Contraband Enforcement Team (A-TCET) Centralized Examination Station (CES) in the Area Port of Chicago, Illinois under the process set forth in 19 CFR 118. This selection will be effective for a period of five years.

On January 8, 2014, the Port of Chicago issued Pipeline 14-01, notifying the trade community about the opening of the application period for the CES selection process. That Pipeline also invited the public to submit comments relevant to CES operations and the selection process.

Following the March 09, 2014 deadline for submitting CES applications, the Port of Chicago published Pipeline 14-03, announcing the names of the CES applicants and again inviting comments from the public.

Based on a review of all the applications for criteria described in 19 CFR 118 and the requirements addressed in Pipeline 14-01, a site survey of each applicant's facility, and public comments received, the following facility has been selected as the A-TCET CES in the Area Port of Chicago, Illinois.

Channel Distribution Corporation
950 Supreme Drive
